To all Councilmembers:

As you are aware, the garbage contracts are valid for a 30 day period, in the case of Servall until October 14, and in the case of SCA until October 16. For this reason it is important that we resolve the situation fairly soon.

We are meeting on September 30 at 7 PM to discuss the Fire Merit system ordinance. Prior to that discussion I would like for us to resolve the procedure on the handling of the garbage contract. In order to facilitate discussion, I propose the following plan:

1. Call a Special meeting to be held before the Committee meeting on October 6.

2. At that meeting withdraw the National-Serval ordinance that is presently in the Finance Committee. This is necessary because that contract agreement has been voided by action of the Board of Works.

3. Introduce the SCA contract bill

4. Suspend the rules in order to vote on the SCA bill.

5. Vote aye or nay on the SCA contract bill.

6. If the SCA contract bill fails, set up another Special meeting for introduction of a new National Servall contract bill. If the SCA contract passes, the matter rests.

7. If the SCA contract bill fails, the second Special Meeting to vote on the National-Servall contract should be set on a date sometime during the week of October 6-9, and will also require that a suspension of the rules be approved.

Sincerely yours,

Vivian G. Schmidt
